

Integrated Waste Management Solutions

TOTAL SERVICE SOLUTIONS BY INSEE

INSEE Ecocycle at a glance

INSEE Ecocycle is the industrial waste management arm of INSEE Group, a leading cement manufacturer in South East Asia, founded in 1969 in Thailand.

Ecocycle has a wide footprint in South East Asia, mainly spread across Thailand, Cambodia, Vietnam, Bangladesh and Sri Lanka.

Over the last two decades, INSEE Ecocycle paved the path of sustainable waste management in Sri Lanka, pioneering its circular economy-based waste management solutions for industries. INSEE undertook its first responsible waste management solution in Sri Lanka in 2003, with the co-processing of 297m.t. of tyre waste.

At present, INSEE Ecocycle provides tailor-made waste management solutions to over 1,000 corporate entities and state institutions, including the Board of Investment and Local Councils.
